Classroomscreen -> <https://classroomscreen.com/>

The screenshot displays the Classroomscreen interface with a background of colorful flowers. At the top left, there is a home icon and a poll selection menu titled "Select a poll type" with options: "Multiple choice" (A, B, C), "Smileys" (happy, neutral, sad), and "True / False" (checkmark, X). A central text box contains the instruction: "How to vote: go to joincrs.com and use the code 4650 529." Below this, there are several floating widgets: an image upload widget with the text "Open widget settings to select or upload an image" and an "Open settings" button; a name list widget with the text "Open widget settings to select a name list" and an "Open settings" button; a timer widget showing "10:00" with a play button and a square stop button; a circular widget with a drawing of a face and the word "Ruhe" below it; a clock widget showing "9:36 AM"; a noise level widget with a semi-circular gauge and a slider labeled "Max. noise"; and a QR code widget with a "Generate QR" button. At the bottom, there is a toolbar with icons for: Hintergrund (Background), Umfrage (Poll), zufälliger Name (Random Name), QR, Lautstärke (Volume), Image, Text, Zeichnung (Drawing), Arbeits symbole (Work symbols), Ampel (Traffic light), Timer, Uhr (Clock), and mehr Widgets (More widgets). A bottom navigation bar shows a home icon, a back arrow, "1/1", and a forward arrow.

Jamboard -> <https://jamboard.google.com/>

A screenshot of the Jamboard web application interface. At the top, the browser address bar shows 'Jam dokumentis bez nosaukuma'. The interface includes navigation arrows, a '1/1' page indicator, a share icon, a 'Kopīgot' (Copy) button, and a user profile icon 'S'. Below the browser bar, there are navigation icons for back, forward, search, and zoom, along with text 'Iestatīt fonu' and 'Notīrīt rāmi'. The main workspace is a large white canvas with a light grey border. On the left side of the canvas is a vertical toolbar with icons for drawing, erasing, pointing, adding notes, inserting images, drawing shapes, and zooming. The canvas itself contains a yellow square with the text 'Hello!', a light blue hand-drawn 'L' shape, a black hand-drawn circle, and the Jamboard logo in the top right corner.

Padlet -> <https://padlet.com/>

A screenshot of the Padlet web application interface. On the left is a vertical sidebar with navigation icons for Recents, Bookmarks, Svetlana's profile, Shared, Gallery, and a notification bell. The main content area shows a welcome message "Hi, Svetlana Welcome to Padlet!" and a list of folders: "All" (selected), "Archived", and a note about folders being located in "Bookmarks". Below the folders is a corkboard-style Padlet board titled "Deutsche Bundesländer" by Svetlana Šmite, created 2 days ago. The board has a brown corkboard background and contains several small, illegible content items.

A screenshot of the Padlet layout selection menu. At the top, it says "Make in Svetlana Šmite". Below this are seven layout options, each with a colored preview, a title, and a brief description:

- Wall**: Pack content in a brick-like layout.
- Stream**: Streamline content in an easy to read, top-to-bottom feed.
- Grid**: Arrange content in rows of boxes.
- Shelf**: Stack content in a series of columns.
- Map**: Add content to points on a map.
- Canvas**: Scatter, group, and connect content in any way.
- Timeline**: Place content along a horizontal

Tinyurl ->
https://tinyurl.com/

A screenshot of the TinyURL website's main interface. The background is a dark blue gradient. At the top left, the "TINYURL" logo is displayed in white. Below it, a white rounded rectangle contains a form. The form has a header "Enter a long URL to make a TinyURL" with a green circular icon containing a white arrow. Below this is a large white text input field. Underneath the input field is a section titled "Customize your link" with a pencil icon. This section contains a dropdown menu with "tinyurl.com" selected and a "alias" input field. At the bottom of the form is a prominent green button labeled "Make TinyURL!". To the right of the form, the text "Welcome to TINYURL" is shown in white, followed by "Create a free account to enjoy:". Below this is a list of three features, each with a white checkmark: "Easy Link Shortening", "Full Link History", and "Customized TinyURLs". At the bottom right, there is a blue button labeled "Create Free Account".
